To nominate, please observe the following steps:

- (1) Check you are on the right shipper code "Balancing group"
- (2) Check you have the right counterparty shipper code in the transmission system "External balancing group"
- (3) Check you have the right start and end date
- (4) Check that you recognize your booked firm capacity in the column "Declaration", unit "kWh/h"
- (5) Enter your hourly nomination manually or by using the arrow(s)
- (6) Choose "Send nomination"

▶ ▶ Please note that it takes more minutes to nominate in the very beginning after GO-LIVE ... we are working to speed the process.

► ► If you have already nominated for the gas day in question and your nomination has been matched with the corresponding nomination for the transmission system, the cells in column "Nomination" will be populated with your matched nomination.

▶ ▶ ► If you have already nominated for the gas day in question and your nomination is waiting to be matched, the cells in column "Nomination" will show 0 (zero).
