(hereinafter referred to as the "**Storage Customer**")

(the Storage Operator and the Storage Customer individually also referred to as a "**Party**" or collectively referred to as the "**Parties**")

for the permanent storage of CO<sub>2</sub> in the Danish underground.

## 2. Definitions

Unless otherwise expressly stated, capitalized words shall have the meaning defined in the General Terms and Conditions for Carbon Storage ("**GTCCS**").

## 3. Condition Precedent

3.1 Except for its obligations set out in this Clause 3, the Storage Operator shall not be obliged to fulfil its obligations under the Storage Agreement, unless the following conditions (together "**Condition Precedent**") are satisfied (or waived by the Storage Operator):

1. The Storage Operator is awarded:
  - a. The licence under section 23 of the Consolidated Act no. 1533 of 16 December 2019 on the Subsoil with later amendments (in Danish: Undergrundsloven);
  - b. The permit by the Minister for Climate, Energy and Utilities under section 5 of the Consolidated Act no. 271 of 9 March 2023 on Energinet with later amendments (in Danish: Lov om Energinet);
  - c. The decision by the Environmental Protection Agency (in Danish: Miljøstyrelsen) allowing the Storage Operator to establish and operate the Stenlille Facility through a screening process (in Danish: screeningsafgørelse) according to the Consolidated Act no. 4 of 3 January 2023 on Environmental Assessment with later amendments (in Danish: Miljøvurderingsloven); and

- d. The approval by the Minister for Climate, Energy and Utilities of the plan for storage under section 23d(2) of the Consolidated Act no. 1533 of 16 December 2019 on the Subsoil with later amendments (in Danish: Undergrundsloven).
  2. The confirmation that the intended well at the Stenlille Facility is suitable for the injection of CO<sub>2</sub>. Such confirmation must be provided by the Storage Operator in collaboration with an independent third party.
- 3.3 The Storage Operator shall give notice to the Storage Customer promptly, and in any event within five (5) Business Days following the satisfaction of a Condition Precedent. Such notice shall identify the date on which the relevant Condition Precedent has been satisfied.
- 3.4 In this Clause 3, the "CP Deadline" for each Condition Precedent shall be:
1. In relation to the Conditions Precedent in Clause 3.1 (1.a), 1 June 2024;
  2. In relation to the Condition Precedent in Clause 3.1 (1.b), 1 April 2024;
  3. In relation to the Condition Precedent in Clause 3.1 (1.c), 1 April 2025;
  4. In relation to the Condition Precedent in Clause 3.1 (1.d), 1 April 2025;
  5. In relation to the Condition Precedent in Clause 3.1 (2), 1 July 2024.
- 3.5 In relation to each of the Condition Precedent, the Storage Operator shall (1) use reasonable endeavours to satisfy such Condition Precedent, (2) keep the Storage Customer reasonably informed as to the status of the progress for satisfaction of such Condition Precedent; and (3) notify the Storage Customer promptly if it becomes evident that any of such Condition Precedent will not be satisfied or waived by the applicable CP Deadline.
- 3.6 If the Condition Precedent has not been satisfied or waived by the applicable CP Deadline, the Storage Operator shall provide notice to the Storage Customer promptly explaining any reason for the delay and specifying the revised date by which it is reasonably expected that the Condition Precedent will be satisfied. The Storage Operator's notice on an expected revised date does not affect the applicable CP Deadline.
- 3.7 If ~~the one or more~~ Condition Precedent has not been satisfied by the applicable CP Deadline, then the Storage Operator and the Storage Customer shall have the right to terminate the Storage Agreement within one month of the applicable CP Deadline. Instead of terminating the Storage Agreement, the Parties can agree in writing to extend the CP Deadline.

#### 4. Storage Period

The Storage Agreement has the following storage period (the "**Storage Period**"):

[XX-XXX-202X] at 00:00:00 (CET) to [XX-XXX-20XX] at 00:00:00 (CET).

Provided that the Storage Period starts in the calendar year of 2026, each Party is allowed to postpone the Storage Period for up to 6 calendar months, in which case the Storage Period shall be postponed in its entirety. Notwithstanding the above, the start date of the Storage Period must not be later than 1 January 2027. A Party shall not be liable to the other Party for any damages in case of such postponement.

#### 5. Capacities

The Storage Customer has contracted a right to deliver, inject and store CO<sub>2</sub> permanently at the Stenlille Facility. For this purpose, the Storage Operator makes the following capacities ~~are~~ available for the Storage Customer during the Storage Period:

5.1. Total Firm Volume Capacity: [XXX] tonnes during the Storage Period.

5.2. Firm Volume Capacity: Tonnes per calendar year in accordance with the table below:

2026	2027	2028	2029	2030	2031	2032	2033	2034	2035	2036
